In columns 13, lines 34-50, column 14, lines 1-12, in claim 1, delete

"1. A system comprising:

a web server; and

an integrated shipping server hosted by a third party third-party payment service,

linked in communication with the web server,

the web server and integrated shipping server, acting as an intermediary server between a sender

and a shipping vendor, comprising software instructions that when executed enable the

sender to arrange for shipment of a package to a recipient via the shipping vendor by

performing operations, by the integrated shipping server, including:

generating and serving web pages via which shipping information including sender address is

automatically entered into the web pages based on a current user session and an applicable

mode, the shipping information being listed with the third-party payment service;

registering the sender with the shipping vendor based on the shipping information;

arranging for the shipment of the package via the shipping vendor, as **the sender's** a proxy of the sender;
